Note from Jean

I know we're all tired of this weird weather, but spring is just around the corner. We had a great time touring the Roasterie and Blvd Brewery. I didn't realize how many types of beer they brewed. Thanks Robert Lynch for setting this up. Also, thanks to all of you that have volunteered to do check in. Barbara appreciates your help. We're always trying to find fun activities to do. If you have an activity that you'd like to do please let me know.

We're trying to get new members. I have printed a flyer with our info. If anyone knows of places we could post this please let me know.
