Note from John

I am very happy to see the increase in attendance at our mixers and activities. We have had great mixer locations as always and we always like to try new ones. Let Judy Kaster if you know of any location that we could try.

Remember that the purpose of our KOSOMO group is to provide friendship along with fun, social activities. We should do this with kindness, respect, love & humility & compassion in regards to interacting with our fellow club members and also how we interact with the staff at the locations where we have our mixers. This would also include any social activity that we are going to as a member of KOSMOS group.

Please encourage your friends to come to a mixer and see if they would be a fit in our club.

Let Jerry Stewart know of any activity that you are aware of that the club would enjoy.

Hope to see some members who have not been to a mixer lately.

Thanks for reading my comments and have FUN,

John
