Note from John

We need several members to volunteer to be on a nominating committee to determine the slate for the club officers of 2027.

The majority of the board members and also the Newsletter and Database/Web manager have held their positions for many years, and we hope to see members step up to run for offices. If you're unsure about handling the task, I'm sure the current office holder would help you learn what the position entails. I have copies of club Policy and By-laws that describe the duties of each position.

Thanks, John
